

Drawing Stars

(Appropriate for use after Lesson 6 for up to 50 stars; after Lesson 7 for up to 100 stars)

Materials: paper, crayons or markers

- ▣ Tell children: "I'll count to 30 silently. How many stars do you think you can draw before I say stop?" Then, count to 30 silently while they draw.
- ▣ When the time is up, say "Stop!"
- ▣ Have children circle groups of 10, and then record the number of groups of 10 and the number leftover. Then, have them record the number of stars.
- ▣ Repeat the activity by counting to numbers up to 100.

Logical; Visual

Whole Class/Small Group
